STUDY AGAIN WITH AIFS GRANTS

Study Again with AIFS Grants*

If you have already studied abroad with AIFS, chances are you had a great time and would love to do it again. So why don't you? AIFS makes it easier for you to go on a second or even third program by offering a special set of grants to previous participants.

If you studied abroad on an AIFS summer program, you will receive a \$1,000 grant to study abroad on an AIFS semester or academic year catalog program or a \$500 grant toward a summer catalog program. If you studied abroad on an AIFS semester or academic year program, you will receive a \$500 grant toward a summer catalog program or a \$1,000 grant toward a semester catalog program in a different academic year.

Please type or print legibly in black ink and return this form with the AIFS academic year or semester application.
